- Promoting economic self-sufficiency
- Supporting healthy decision-making and taking control of one's life; improving self-esteem
- Strengthening social support
- Leadership development
- Education
- Personal Safety
- Serving women and girls in crisis situations

Does My Organization Qualify?

- The Women's Fund of the Community Foundation will consider requests from any 501(c)(3) for a program or project that will primarily but not exclusively benefit residents of the Foundation's service area (Broome, Chenango, Delaware, Otsego and/or Tioga counties.) It will also consider requests from certain local government agencies, municipalities and public-school systems within its service area, provided that the proposed project fits the Fund's criteria for consideration. The determination as to whether a proposed project, or agency, fits the Women's Fund's criteria for consideration is made by the Community Foundation for South Central New York.

We Do Not Consider Requests For:

- Operating or program deficits
- Funding to pay existing mortgages
- Scholarships
- Funding to reimburse an organization for costs that were incurred prior to the date the grant is to be awarded.
- Funding to churches or organizations for religious purposes
- Funding to organizations that have so many counterparts (e.g. scout troops, ambulance squads, volunteer or municipal fire departments, individual schools within a school district, PTAs) that it would be difficult to assess the relative merits of similar proposals.
- Grants to individuals

Submission Deadlines:

The Women's Fund will consider grant proposals once during 2023. **Proposals are due on Friday, April 21st, 2023.** Awards will be announced in mid- June.
