

FOR SOUTH CENTRAL NEW YORK

Racial Justice and Equity Fund Guidelines

Purpose of the fund

As philanthropic leaders in south central New York, we stand with those who seek to eliminate racial injustice. We are committed to do our part both internally as an organization, and in the region. Systemic racism at the individual, community, and societal level cannot be addressed with one-time statements. Real change requires ongoing action borne out of hard work, difficult conversations, education and commitment. At the request and encouragement of community members, the Racial Justice and Equity Fund was established in 2020 by the Board of Directors of the Community Foundation to address the concerns of racial justice and equity in the region served by the Foundation with an initial seed grant of \$100,000.

Types of Projects, Programs, and Organizations Eligible for Support

The Racial Justice and Equity Fund welcomes proposals from qualified non-profit 501c.3 organizations that seek to provide projects or programs that build community dialogue, increase the capacity of BIPOC (Black, Indigenous, People of Color)-led organizations supporting historically underserved communities, promote racial justice and equity, and counteract systemic racism, in the region served by the Foundation. New or established organizations, programs and projects serving BIPOC populations, are all invited to apply.

The minimum award will be \$500 and the maximum award will be \$10,000

Program

Operating Support

- Proposals from organization that are in financial distress due to a reduction in traditional funding sources for operations (e.g. individual contributions, event revenue, federal/state/local budget reductions). We will also consider requests for short-term assistance that will improve long-term sustainability.

Economic and Community Development

- Proposals that strengthen the community by strengthening the local economy and encourage local ownership and development of resources

We do not consider requests for:

- Funding to reimburse an organization for costs that were incurred prior to the date the grant was awarded.
- Funding to pay existing mortgages
- Grants to individuals
- Funding for religious purposes

- In general, funding to organizations that have so many counterparts (e.g. scout troops, ambulance squads, volunteer or municipal fire departments, individual schools within a school district, individual school classrooms, PTAs) that it would be difficult to assess the relative merits of similar proposals. Exceptions may be made at the discretion of the Program Officer and Executive Director based on the urgency of the community need.
